

## System holder clamp SHS

## **Product information**

The system holder clamps type SHS offer the option of attaching our plastic system holders simply and securely to cylindrical robots. The folding hinge bolt clamp makes installation easier.

Ideal for welding applications and harsh environmental conditions.

- Easy to assemble
- Durable
- Suitable for nominal width M25 to 70 Jumbo
- For all SH system holders made of plastic without metal lock
- Variant "L0" has a raised console to reduce electromagnetic interference
