

Type PR/AS

Product information

The protector PR/AS serves as abrasion protection of cable protection conduits and energy packages. The PR/AS makes the motion sequences more dynamic, increasing the flexibility of the dresspacks and at the same time increasing the service life.

Further advantages:

- Minimization of noise development
- Tool-free and subsequent mounting due to attached hook-and-loop tape
- No loose parts
- Robot-friendly due to the use of abrasion-resistant special fabric

Information, conformities and approvals

| Article | Order No. | Color | Suitable for Murrflex | Length (A) mm | PU pcs. |
|---------------------|-----------|-------|-----------------------|---------------|---------|
| PR/AS-UNI 29 800mm | 83691102 | Blue | M32/P29 | 800 | 1 |
| PR/AS-UNI 29 1500mm | 83691104 | Blue | M32/P29 | 1500 | 1 |
| PR/AS-UNI 48 800mm | 83691116 | Blue | M50/P48 | 800 | 1 |
| PR/AS-UNI 48 1500mm | 83691118 | Blue | M50/P48 | 1500 | 1 |
| PR/AS-UNI 70 800mm | 83691123 | Blue | NW70 | 800 | 1 |
| PR/AS-UNI 70 1500mm | 83691125 | Blue | NW70 | 1500 | 1 |
